MISSION STATEMENT

Complete Girlz's mission is to empower and strengthen young girls/women in our community by giving them the tools necessary to overcome adversity through educational and enrichment programs which promote leadership, confidence and self-worth.

VISION

Earlene Taylor's vision is that all young girls/women, if given the right tools can become extremely successful at an early age. She hopes to provide hands on training for young girls/women so that they can see the necessity for them to become business owners and successful entrepreneurs. Her desire is to teach young girls/women the principles so that they can "Be all that they can be."

OUR GOALS

1. Expand our presence and visibility within the community

2 Provide and promote a world class program and provide quality information

3 Enhance student value through education, research, networking, communication

4 Retain and recruit students

5 Operate with sound business practices

ABOUT OUR PROGRAM

The Complete Girlz, Inc. is a free Empowerment/Mentorship Program. Our program hours are on Saturdays 1:30 to 4:30 pm. We are a 10-month program starting in September and ending in June. (Break included) Courses are added each year to meet the needs of each young woman/girl.

Our Empowerment/Mentorship program provides a vehicle for troubled, low income, unmotivated young women to drive pass adverse circumstances to excellence. CGI introduces young women/girls to take control of their lives and internal state of mind. We strongly believe this Empowerment/Mentorship program will benefit young women to grow and transform them into mature leaders within their community through: CGI specializes in Self Esteem, Leadership, Business, Entrepreneurship and Etiquette. We are a modern program providing in person/virtual services to our young ladies. You receive a FREE t-shirt or Journal when you sign up. Our sessions are interesting, our staff knowledgeable and the environment extremely fun!
